

## **One Day Awareness Programme for on E-Waste Management for Students under Lifestyle for the Environment (LiFE) Movement**

NIELIT Gangtok under Ministry of Electronics and IT (MeitY), Govt. of India conducted a One Day Awareness Program for students of a Govt. Senior Secondary School at Tadong, Gangtok, East Sikkim on E-Waste Management under "Lifestyle for the Environment (LiFE)" Movement on 12th May 2023. The programme was held at the auditorium hall of Tadong Senior Secondary School, which was attended by over 260 nos. students. The programme aimed to make the students aware about growing issue of e-waste and ways in which the individual student can contribute to save the environment by proper handling of e-waste. The project aimed to inculcate the habit of reduce, reuse and recycle amongst the students.
