In partnership with the Ministry of Electronics & Information Technology (MeitY), GoI, Zecomy is actively involved in promoting circularity and waste to wealth, e-waste and solid waste disposal as part of Mission LIFE. Under this program Zecomy has organized a half day awareness session with the female *Nirmal Sathis* of Maheshtala Municipality, Kolkata.

Event: Awareness Session on E-Waste Management

Date: May 30, 2023

Venue: Maheshtala Municipality, Kolkata

Number of Participants: 36 Female Nirmal Sathi, 6 Maheshtala Municipality Officials

This session aims to create awareness about e-waste management while highlighting the importance of gender-inclusive approaches. During the session, we covered various aspects related to e-waste, including its definition, types, and the potential hazards it poses to the environment and human health. We also discussed the importance of responsible e-waste management, recycling options, and the role each of us can play in reducing e-waste generation.

The session provided a comprehensive understanding of the environmental implications of improper management of e-waste. And provide valuable knowledge and resources to raise awareness about e-waste among community members, empower them to adopt sustainable practices, and promote responsible e-waste management.
