FOUNDATION'S MISSION

The Bajaj Foundation, an NGO registered under the Ministry of Corporate Affairs since 2013 and recognized by NITI Aayog, celebrates its 10th anniversary with a commitment to fostering global unity. Embodying the mantra of '**Building Bridges to a Better Tomorrow**,' it transcends borders to instigate positive change worldwide. **Prioritizing the well-being of children, animals, and the environment**, it exemplifies accountability and strives for a lasting, positive impact. At its core lies the ethos of '**Ek Sansaar, Ek Parivaar**' - One world, One family, fostering interconnectedness among all people. In 2024, the foundation focuses on creating a sustainable society with a three-pronged approach: **awareness, advocacy, and actionable solutions**. Spearheading initiatives for responsible e-waste management and advocating for environmental stewardship globally.

FOUNDER'S MESSAGE

"We're not just dreaming; we're actively building a better world here at Bajaj Foundation. Together, let us forge a path towards sustainable solutions, fostering a cleaner and greener future for generations to come. Your support is not just a contribution; it's a vital step towards environmental preservation and a testament to our shared commitment to a healthier planet. Your commitment today is a tangible action towards a world defined by sustainability, responsible e-waste practices, and a thriving, sustainable economy. Join hands and hearts to make a lasting difference for generations to come."

**- Pankaj Bajaj

YOUTH ECO SUMMIT: IMPACT METRICS

- Engaged 400 schools over 35 days.

- Involved 1800+ students from 100+ schools.

- Featured 12 speakers.

- 5 competitions, 1000+ entries.

Hosted 3 panel discussions.

- Partnerships: Times of India, BIG FM, Paytm insider.in, TERI, Kiran Nadar Museum of Art, ICEA, and more.

- Instagram: Reached 2.39 million, gained 700+ followers, engaged 13,610 profile visitors.

- Facebook: Reached 453k, gained 3.2k followers, engaged 11,700 profile visitors.

- Key cities targeted: Delhi and Gurgaon.

- YouTube: Achieved 62.9K views.

- Media value: Over 50 lacs.

ABOUT YOUTH ECO SUMMIT

The **Youth Eco Summit**, hosted by the Bajaj Foundation in Delhi, **engaged 400 schools over 35 days**, addressing the E-waste crisis and environmental impact. Supported by partners like **Times of India and Big FM**, it empowered youth voices and envisioned an annual event.

Key Pillars:

1. **Educate:** Featured speakers discussed e-waste management, providing comprehensive understanding and potential solutions. **12 speakers attended the summit, and 3 panel discussions took place.**
2. **Engage:** Conducted **impactful pre-engagement activities** in various schools to brief about the summit's agenda.
Held **5 competitions** during the summit, **engaging over 1800 students from 100+ schools** and fostering creative expression..
3. **Innovate:**
 - Ideologue: Essay and PPT competitions encouraged critical thinking on E-waste management.
 - Waste to ART: Installation competitions promoted artistic ingenuity and recycling.
 - Received 1000+ entries**
4. **Felicitate:** - Awarded **28 Eco Awards to schools and students** for innovative recycling and community engagement efforts, as mentioned on page 15.

14:00 - 14:05	Closing Speech by the Chief Philanthropy Officer- Ms. Shohini Dutta

YOUTH ECO SUMMIT: PANEL DISCUSSION 1

Topic: Journey of Electronic Devices: From Manufacturing to Disposal

Moderator: Abhiir Bhalla, Environmental Sustainability Expert

Panelists:

1. Dr. Aashish Saurikhia - Director of Public Policy, India Cellular and Electronics Association (ICEA)
2. Dr. Suneel Pandey - Director, The Energy and Resources Institute (TERI)
3. Dr. Harveen Kaur - Environment & Sustainability Specialist
4. Nitin Pramod - Indian Foreign Services Representative

Throughout the discussion, the panel explored the entire life cycle of electronic devices, delving into intricate details of manufacturing processes, evolving consumption patterns, and the crucial aspect of devising effective disposal strategies. The conversation provided valuable insights into the environmental impact of electronic devices, offering a comprehensive understanding for the summit participants.

Key Takeaways:

- Understanding the environmental impact of electronic devices.
- Insights into manufacturing processes and consumption patterns.
- Importance of effective disposal strategies for electronic waste management.

YOUTH ECO SUMMIT: PANEL DISCUSSION 2

***Topic: One World, One Family: Community, Industry, Government**

Moderator: Mr. Pankaj Bajaj, Founder of Bajaj Foundation

Panelists:

1. Sonu Sood, Humanitarian and Actor
2. Arijit Talapatra, CEO of TECNO Mobiles INDIA

Key Takeaways:

- Community-driven initiatives are vital for addressing global challenges.
- Industry must prioritize sustainable practices to ensure environmental responsibility.
- Collaboration among community, industry, and government is essential for holistic environmental sustainability.
- Diverse perspectives and unified efforts are crucial for building a more interconnected world.

YOUTH ECO SUMMIT: YOUNG VOICES

"Young Voices" constituted a captivating group discussion where students from schools like Veda Vyas DAV Public School, Tagore International, Vasant Vihar, NK Bagrodia Public School, Modern School, Barakhamba Road, CRPF Public School, Rohini, Bal Bharti, Gurugram, Delhi Police Public School, St. Mark's Sr. Sec. Public School Janakpuri, Ryan International, Gurugram, Saraswati Bal mandir, Rajouri garden, & Bosco Public School were recognized for their outstanding essays and took center stage. Facilitated by the moderator, the session provided a valuable platform for these young voices to share their perspectives on crucial environmental topics. The participants' exceptional essays served as a foundation for a dynamic and insightful exchange, showcasing the diverse thoughts and innovative ideas of the next generation. Their articulate expressions contributed to a lively and engaging discussion, underscoring the significance of amplifying youth voices in conversations about sustainability and environmental consciousness. "Young Voices" stood as a testament to the impactful contributions of the younger generation in shaping discussions and steering positive change toward a more sustainable future.

KEYNOTE ADDRESS BY MR. DARRIN FARRANT

Director of the United Nations
Information Centre, New Delhi

Keynote Address 1 was delivered by **Mr. Darrin Farrant**, the **Director of the United Nations Information Centre** in New Delhi. In a compelling address tailored for the younger audience, Mr. Farrant passionately emphasized the importance of environmental sustainability. His talk aimed to instill awareness and enthusiasm among children, urging them to embrace sustainable practices and become active contributors to creating a greener and more environmentally conscious future. Mr. Farrant's impactful keynote encouraged the youth to recognize their role in shaping a sustainable world and inspired a sense of responsibility towards the environment.

KEYNOTE ADDRESS BY SHRI SATISH UPADHYAY

Vice Chairman of the NDMC

Keynote Address 2 featured **Shri Satish Upadhyay, Vice Chairman of the New Delhi Municipal Corporation**, who delivered a noteworthy speech. Shri Upadhyay highlighted the crucial role of community involvement in the success of environmental sustainability initiatives, emphasizing the significance of local-level engagement. His address shed light on the pivotal role communities play in driving positive change and stressed the importance of collaborative efforts in achieving environmental goals. Shri Satish Upadhyay's insights underscored the need for grassroots participation, resonating with the summit's theme of fostering community-driven solutions for a sustainable future.

YOUTH ECO SUMMIT: QUIZ COMPETITION

The Quiz Competition, a highlight of the summit, provided an intellectually stimulating platform for students to test their knowledge on electronic waste and sustainability. Conducted with enthusiasm by the anchor, **Ms. Anusha Dandekar**, the competition aimed to reinforce the information shared during the panel discussions and keynote addresses. The engaging format not only challenged participants but also served as a dynamic way to promote continuous learning. Through this competition, students were encouraged to apply their understanding of environmental issues, contributing to the summit's broader goal of nurturing a culture of awareness and informed decision-making.

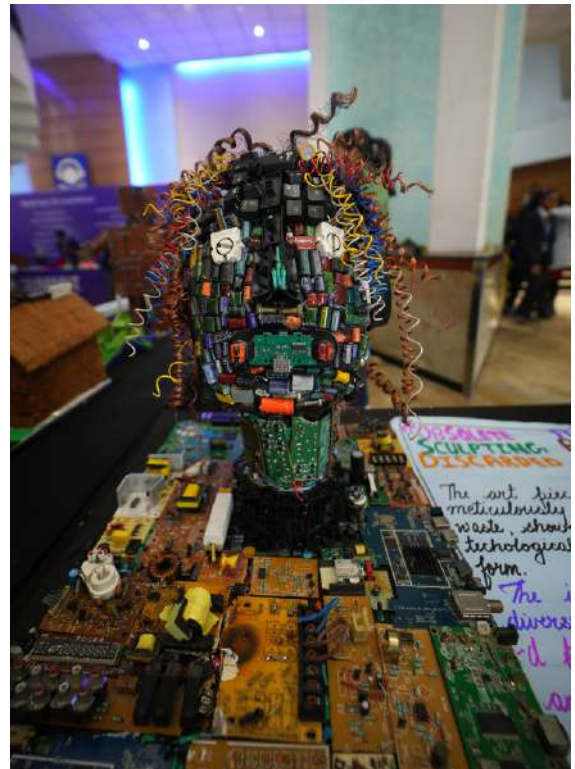

YOUTH ECO SUMMIT: ABOUT WASTE TO ART

The Waste to Art competition witnessed enthusiastic **participation from 50 schools**, showcasing a remarkable display of creativity and environmental consciousness. Students demonstrated their ingenuity by crafting sculptures made from electronic waste, turning discarded materials into captivating works of art. The event not only highlighted the transformative power of recycling but also underscored the commitment of the younger generation to repurpose and reimagine waste materials. These sculptures served as powerful visual representations of the urgent need for sustainable waste management practices. The Waste to Art competition not only fostered a culture of recycling but also celebrated the artistic potential inherent in repurposing e-waste, sending a clear message about the importance of environmental stewardship.

YOUTH ECO SUMMIT: WASTE TO ART GLIMPSES

YOUTH ECO SUMMIT: EMINENT ARTIST EXHIBITION

Renowned Bangalore-based artist Mr. Vishwanath Mallabadi showcased his **30-year journey** of transforming electronic waste into remarkable masterpieces at the summit. He inherits a rich artistic legacy from his renowned father, Late D. M. Shambhu, and his commitment to sustainability has **garnered recognition by India Talent Magazine**. His e-waste sculptures have been exhibited at prominent events like the International Conference for Sustainable Development Goals (SDG), showcasing his role as a unique eco-warrior.

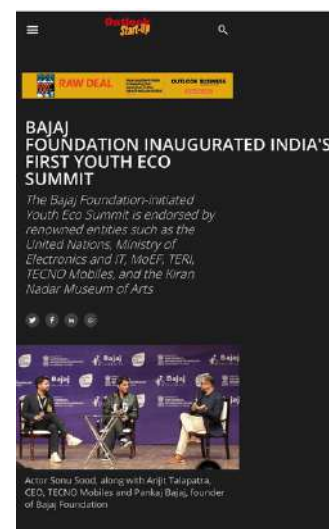

YOUTH ECO SUMMIT: AWARDS

Winners (schools/students)

1. **Eco School 2024:** Tagore International, East of Kailash
2. **Eco Champion 2024:** Modern School, Barakhamba Road
3. **Eco Educator 2024:** Delhi Public School, R.K. Puram
4. **Eco Community Impact 2024:** Veda Vyasa DAV Public School
5. **Eco Campus 2024:** Tagore International, Paschim Marg
6. **Youth Eco Scholar 2024:** Tagore International, East of Kailash (Gold), Mount Carmel School, Anand Niketan (Silver), KDB Public School (Bronze)
7. **Youth Eco Story 2024:** G.D. Goenka Public School, Rohini (Gold), Bal Bharti School, Old Rajinder Nagar (Silver), Darbari Lal DAV Model School, Shalimar Bagh (Bronze)
8. **Youth Eco Voice 2024:** Ryan International School, Vasant Kunj (Gold), Tagore International School, Vasant Vihar (Silver), Darbari Lal DAV Model School, Shalimar Bagh (Bronze)
9. **Youth Eco-Art 2024:** Delhi Police Public, Safdarjung, CRPF Public School, Rohini (Gold), Mount Abu Public School, Rohini, Bal Bharti School (Silver), Tagore International, East of Kailash, The Airforce Golden Jubilee School, Subroto park, (Bronze)

बजाज फाउंडेशन द्वारा आयोजित भारत का पहला यूथ-सेंटरिक-इको-समिट ने सतत कार्रवाई के लिए तय किया एजेंडा तथा ई-अपशिष्ट प्रबंधन पर भी प्रकाश डाला

भारत का पहला यूथ-सेंटरिक-इको-समिट

नई दिल्ली: बजाज फाउंडेशन ने आज सिरि फोटो ऑडिटोरियम में पहले यूथ इको समिट के सफल उद्घाटन के साथ एक महत्वपूर्ण मील का पत्थर हासिल किया। स्थायी ई-कचरा प्रबंधन के प्रति जागरूकता पैदा करने के विषय के तहत आयोजित शिखर सम्मेलन को संयुक्त राष्ट्र, इलेक्ट्रॉनिक्स और आईटी मंत्रालय, टीईआरआई, टेक्नो मोबाइल्स और किरण नादर कला संग्रहालय जैसी प्रसिद्ध संस्थाओं से समर्थन मिला। ई-कचरे की बढ़ती चुनौती के खिलाफ 200 से अधिक दिवसीय-एनसीआर स्कूलों, युवा नेताओं, पर्यावरण विशेषज्ञों और नीति निर्माताओं को एकजुट करने के लिए एक गतिशील मंच के रूप में कार्य किया। शिखर सम्मेलन का मुख्य आकर्षण अभिनेता और मानवतावादी सोनू सूद की उपस्थिति थी, जिन्होंने टेक्नो मोबाइल्स के सीईओ श्री अरिजीत तालापात्रा के साथ 'वन वर्ल्ड, वन फैमिली-समुदाय, उद्योग, सरकार' नामक पैनल चर्चा में भी भाग लिया। बजाज फाउंडेशन के संस्थापक पंकज बजाज द्वारा आयोजित पैनल चर्चा में इसे प्राप्त करने के लिए आवश्यक सहयोगात्मक प्रयास पर जोर देने के अलावा, जिम्मेदार ई-कचरा प्रबंधन के लिए जागरूक शिक्षा और जागरूकता फैलाने के महत्व पर जोर दिया गया।

OUTCOME

- **Increased Awareness:**

Over **1800 school students** actively participated, signaling a significant rise in awareness about electronic waste and environmental sustainability.

- **Knowledge Enhancement:**

Panel discussions, keynotes, and a quiz competition collectively deepened participants understanding of the electronic device life cycle and the environmental impact of e-waste.

- **Youth Engagement:**

Youth involvement in essay writing, quiz, and waste-to-art competitions fostered active participation, making the complex subject matter accessible and relatable. The exhibition showcased innovative creations from recycled materials, emphasizing sustainability through artistic expression.

- **Artistic Innovation:**

The waste-to-art competition featured imaginative creations, highlighting the transformative power of waste repurposing. This fusion of environmental consciousness and artistic expression inspired a shift towards eco-friendly practices and a broader perspective on waste as a valuable resource for creative endeavors.

106 schools actively participated in the 35-day activities held in Delhi NCR. Encouraged by this success, The Bajaj Foundation envisions conducting more such events nationally in the coming years. These events aim to provide students with opportunities to deepen their understanding of environmental sustainability and actively engage in initiatives that contribute to a greener and more conscious future.

RECOMMENDATIONS

- **Widespread awareness:** Engage children **pan India** through educational initiatives to raise awareness about e-waste management and environmental sustainability, fostering advocacy and action in diverse communities.
- **E-waste Education in School Curriculum:** Advocate for integrating e-waste management and environmental sustainability into the school curriculum through talks and sessions, ensuring consistent education on these crucial topics
- **Institutional Integration:** Implementing E-Waste Management and Environmental Sustainability Sessions in Colleges and Higher Institutions
- **Research and Resource Allocation:** In addition to the outlined recommendations, the Bajaj Foundation aims to initiate research endeavors in the field of e-waste management and environmental sustainability. Recognizing the importance of ongoing exploration and innovation, the foundation seeks resources to facilitate comprehensive research efforts. This strategic initiative will contribute to the development of informed strategies, enhancing the foundation's capacity to address emerging challenges and promote sustainable practices in collaboration with educational institutions, industries, and the youth.
- **Extended Awareness:** Harness the combined power of digital and traditional media to disseminate research findings on e-waste management, ensuring broader public access and engagement with critical environmental information.
